|---|-------------|---|-----------------------|
|  | = condition |  | = process             |
|  | = no        |  | = do while(condition) |
|  | = yes       |  | = do until(condition) |

The image is a complex diagram on a background of a repeating triangle pattern. On the left side, there is a vertical column of six rectangular boxes, each containing a specific geometric pattern of triangles and a label. From top to bottom, these are: 'inteface' (with a pattern of vertical bars), 'aura matrix' (with a pattern of peaks and valleys), 'thought' (with a pattern of horizontal lines and triangles), 'mood' (with a pattern of horizontal lines and triangles), 'build' (with a pattern of horizontal lines and triangles), and 'display' (with a pattern of horizontal lines and triangles). In the top right corner, there is a small figure of a person with a circular head containing eight dots, numbered 1 through 8. In the center of the diagram, there is text that reads 'not for human use' and 'send human orders to are@xs4all.nl'. At the bottom right, there is a legend with two symbols: a triangle pointing down, labeled '= condition', and a square, labeled '= process'.

**L** = *do until(condition)*
